1. On July 28, 2016, the defendant, accompanied by counsel, proffered a plea of guilty to Counts 1, 2 and 3 of the Information.

2. Prior to such proffer, the defendant was examined as to his competency, advised of the charges and consequences of conviction, informed that the Court would, after considering a pre-sentence investigation report, impose a sentence that is no greater than necessary to meet the requirements of 18 U.S.C. § 3553 et. seq. and authorized by law, notified of his rights,

3. The parties and counsel informed the court about a plea agreement entered into by the parties, the undersigned was advised that, aside from such agreement as described or submitted to the court, no other commitments or promises have been made by any party, and no other agreements, written or unwritten, have been made between the parties.

4. The undersigned questioned the defendant under oath about the knowing, intelligent, and voluntary nature of the plea of guilty, and finds that the defendant's plea was offered knowingly, voluntarily and intelligently.

5. The parties provided the undersigned with sufficient information about the charged offenses and the defendant's admitted conduct to establish a factual basis for the plea.

6. In light of the foregoing and the record submitted herewith, the undersigned finds that the defendant's plea was knowing, voluntary and intelligently made, and that all requirements imposed by the United States Constitution and Fed. R. Crim. P. 11 have been satisfied. Therefore, the undersigned recommends that the plea of guilty be accepted and a finding of guilty be entered by the Court.
